**The AAKASH INSTITUTE FOR UJJAIN MEDICAL/IIT-JEE COACHING** is one of the best-known institutions in Ujjain that provides comprehensive test preparation services for students to prepare for admission medical exams. Initially, the Institute started operations in Delhi with some students, but with a vision of Mr. J.C. Chaudhry, a prominent teacher and educator. Some of these students criticized the medical admission exam, guaranteeing Aakash one of the sought after training institutes for the preparation of medical exams. **The Aakash Institute for Medical** offers preparatory test courses for medical exams such as [NEET](#), [AIIMS](#) and [JIPMER](#). This year, 53 Aakashians reached the Top 100 selections at **NEET UG**. Since its inception, Aakash is known for offering quality training and producing good rankings on various [Medical Entry Exams](#) throughout India.

One of the important reasons that makes the **AAKASH INSTITUTE FOR MEDICAL TRAINING/IIT-JEE** different from the other schools is that they provide their student the opportunity to work on their skills with hard working teachers and with perfect **learning techniques**. Even your student will receive an experienced course certification while they are being trained to get closer to get more education. The various highlights of this school, one of them is its team of highly experienced teachers who guide their student throughout the course.

We also provide the [Free listing of Training Institute & Coaching Center](#) so that users have an adequate view of the [schools](#) without problems.
